Zion is offering a repeat of last year's Grief Support Group for members and community people to come and share together in a confidential and faith-based setting. Whether you have lost a family member, a friend, or a life partner, this group will allow you to express the deep feelings of loss in a safe setting. The group will also lift you up in prayer to God who is always present in our lives in times of happiness and especially in times of sadness.

Our first meeting will be Saturday, March 17, at 9:00 a.m. in the Church Library. We will meet twice monthly for three months. Child care will be provided. The group will be led by Karen Ludwig and Beth Heuser. If you plan to attend, please contact Karen Ludwig by email at [karenoludwig@gmail.com](mailto:karenoludwig@gmail.com) or call her at (734) 645-8693.
