## Kids of the King

Beginning April 8th, in place of PreK-5th grade Sunday School, we will be having *Kids of the King* time during the 10:30 service. After The Bucket, the kids will go out for an activity or two based on the Gospel lesson for that day. They will rejoin their families at Communion.

During the Break of Day service, there will be a short inter-generational activity based on the Gospel.

If you are interested in helping out with the *Kids of the King* time, please contact Kirk or Michelle Hedding.

Confirmation and High School students and Adults will continue to meet during the middle hour.
